

Spend time with girls from the Villa.  
(Allison & Wendy)

## Villa Esperanza at a Glance

Forward Edge has been sending teams to serve in Managua, Nicaragua for over 25 years. In 2008, God opened the doors at *Villa Esperanza* (Hope Village), a home for many at-risk girls. Many of these girls used to live in or around the Managua city dump (*La Chureca*) where they suffered from extreme pollution, poverty, and a high risk of various forms of abuse. They now live in four homes at the *Villa*, with three of the homes under the supervision of a house mom. The fourth home is considered our “transitional home” for older girls.

In 2013, the Managua city dump was closed down by the Nicaraguan government, and a recycling center was built. Some families were given new homes near the recycling center, however, their resource for making an income (garbage) is no longer available.

*Villa Esperanza* will continue to bring in girls from at-risk situations in the area, including the new neighborhood next to the old dump. The vision for these girls is that they come to know Jesus Christ and be a light to their families. In addition, they’ll benefit from increased knowledge and resources allowing them to earn a living and help pull their families out of poverty for good.

### MAKING A LONG-TERM IMPACT

Throughout the week, teams build relationships in local communities through service projects and relational activities. Service can include mixing and pouring cement for a local church, painting at a local school, maintenance projects at a care home, sharing a VBS program with children, or serving at a feeding program.

**TO KNOW:** Forward Edge will work directly with your Group Leader to match the gifts and desires of your team to the projects and needs that have been identified ahead of your arrival. Each day your team will experience a morning devotional, an evening debrief, and relationship building opportunities through serving the local people.

**TRAVEL AND ACCOMMODATIONS:** Teams get to stay right at *Villa Esperanza*. Each team home will have twin size bunk- beds with sheets and towels provided. There is a shower and bathroom in each of the homes. Meals will be prepared by local Nicaraguan women, and you will eat as a team in the *Rancho*. Transportation to different ministry sites is provided by certified and licensed Nicaraguan drivers in private buses.

**PASSPORT:** A passport is required to enter Nicaragua. No other identification is needed. If you already have a passport, be sure that it extends at least six months past the date of your departure.

**PAYMENTS:** There's a \$200 non- refundable deposit due at the time of application submission that will be applied towards your trip fee. Payments can be paid by check or by credit card at [www.forwardedge.org](http://www.forwardedge.org) (Pay Team Fee). Make checks payable to: Forward Edge International. All payments need to reflect the team members' name and team number.

## PREPARATIONS:

**IMMUNIZATIONS:** The government of Nicaragua does NOT require any shots or immunizations to enter the country. However, Forward Edge highly recommends that all team members are current in the tetanus vaccination, and that they consult a personal physician for further recommendations.

**ZIKA:** Please visit the [CDC](http://www.cdc.gov) link to understand the risks and recommendations associated with the Zika virus.

**TEAM PACKS:** Once team member registration is complete, FEI will send individualized team packs including a Forward Edge t- shirt, team member manual, and other helpful information.
