

BALTIMORE AT A GLANCE

Statistics reveal a grim reality within the city: Baltimore ranks high among U.S. cities for issues such as drug use, child poverty, violence and gang activity, sex trafficking, and teen pregnancy. Many youths suffer a sense of hopelessness, despair, and lack of purpose. Baltimore is a city in GREAT NEED.

Pastor Brian Zimmerman and his wife Carol had a dream of “birthing a ministry that would spread throughout Baltimore and would include starting a school, a state-of-the-art athletic complex and a residential treatment center. *The Transformation Center*, in the heart of Baltimore, offers programs that meet these pressing needs. It serves the hungry, those stuck in the cycle of poverty, addiction, surviving with educational deficiencies, and living without a spiritual compass. The Transformation Center is committed to making a lasting difference in the local community and beyond.

“We served to better a community that has a lot of hurt and heartbreak, but seeing God’s impact in just a week is indescribable.”
