Forward Edge Team

Valle de Bendación | 7 night trip in 2025

The Program

Our program supports the work of the Church in Cuba which has exploded in recent years. Thirty years ago, 1% of the population attended weekly services, by 2004 that number reached 20%, and the growth since has been described as “miraculous”, akin to biblical times; the more resistance God’s people faced, the faster the Church grew.

We’re currently serving around 140 children in Cuba, providing them with a weekly nutritious meal, tutoring assistance, and spiritual instruction. Most importantly, we’re teaching them about God’s love, guiding them on their path to follow Jesus, and helping them to realize their full God-given potential.

By supporting the work of the Church in Cuba, we’re not only providing practical assistance to those in need but also offering a message of hope and love that transcends material circumstances.
