

KNOWN & LOVED

CHILD SPONSORSHIP

Every heart yearns for love and acceptance – no matter our age or economic situation. We want to know that we've been chosen, that someone cares, that someone is on our side. For impoverished children who face uncertainty, stress, hunger, and hopelessness, that longing is even stronger.

Having a sponsor through a Forward Edge program who has chosen you and cares about you can ease the heartache. This sponsorship provides nutritious meals, quality education, safe water, spiritual guidance, mentoring and relational connection.

Would you share this need and the blessings of sponsorship with your family and friends this Valentine's Day? Let's give love that lasts so that every child is known and loved.

Scan the QR code, or visit our website, www.forwardedge.org/sponsor for more information.
